

RE-ELECT

AMY LAWSON

RPSTA COUNCILLOR

Empowering teachers to do their best work is our best way to ensure that all students can succeed. If re-elected as RPSTA Councillor, I hope to continue advocating for our profession by asking critical questions and looking for strategies. Thank you for considering me for this opportunity to serve our membership.

It's a good day to have a good day!

B.A, B.Ed., M.Ed.
