Why you are running for the position?

- To advocate for the holistic needs of our city's children
- To advocate for the needs of my colleagues, especially in the wake of the unique challenges presented to educators/schools since March 2020
- I am passionate about leadership, collaboration and mental health
- I believe in the importance of building community and support systems with colleagues, as well as others within the profession across the province
- I will apply and build on what I've learned from my previous (current) term as Councillor

What issue(s) you hope to tackle, support, or advocate for during your term, if elected.

- Mental health of teachers, administrators and students
- Education and health concerns in the wake of school years post- March 2020
- Ensuring more colleagues within the division know information about the STF
- Encouraging more colleagues within the division to become involved and engaged within the STF
