

Regina Public School Teachers' Association

Policy: Lunch Period Exemption to 14:02:02

Beliefs:

The RPSTA believes that teachers benefit from and are entitled to a duty free, 1 hour lunch.

The RPSTA believes teachers must be made aware of, and have a choice in, any option that reduces their negotiated 1 hour lunch period.

The RPSTA believes that situations may arise where, in the interest of optimal teaching and learning, a period of less than 1 hour may be deemed appropriate.

Regulations:

In the collective interest of all members, each individual wishing to alter their lunch period must apply to RPSTA LINC for an exemption to their 1 hour lunch period Article 14:02:02.

The completed exemption form (found on website) must be received by the LINC chair or RPSTA President on or before any due date issued by LINC (will often be December 31 of the previous year.)

Should LINC approve the exemption, it will be for the upcoming school year only.
