Why you are running for the position?

- I'm passionate about governance, policy and identifying and solving the big challenges facing education in this province
- I'm experienced in government relations and negotiations, and I'm a strong contributor, facilitator and leader in meetings

What issue(s) you hope to tackle, support, or advocate for during your term?

- I would like to lead the next round of LINC negotiations
- I will ensure Local needs remain at the forefront of STF conversations
- I will push for additional classroom supports that help teachers and students
- I will advocate against government and division-led changes that make teachers, subs and admin less able to do our professional duties effectively
