Teaching experience:

- I worked as an Elementary Substitute Teacher and on Temporary Contracts for Regina Public Schools teaching everything you can think of from Discovery Preschool to Grade 8 from 1991-2009.
- I have worked at Regina Huda School since 2009, teaching Grade 1, Grade 2, Grade 1/2 and Grade 4.

Why am I running for the position of Councillor?

- Through my involvement in the RPSTA I have had the opportunity to learn a great deal about teachers' salaries, working conditions, benefits, pensions, and the issues that matter most to Regina teachers.
- I bring a thoughtful perspective to the conversations and decisions that Councillors make on behalf of Saskatchewan teachers.

If I am elected:

- I will advocate for supports for students, adequate funding to schools, fair compensation for teachers, carefully managed benefits and reasonable workloads for teachers.
