Why you are running for the position?

- I have wanted to get more involved for a while, and I finally feel like I have the capacity to take on the role.
- I want to do my part to give back to the profession, and to all the teachers who have helped me in my first few years.
- I see how exhausted and burned out my colleagues are. I want to try to make their jobs a little easier in whatever small way I can.

What issue(s) you hope to tackle, support, or advocate for during your term, if elected.

- Empowerment of the teaching profession
- Growing a sense of community amongst our members
