Why you are running for the position?

•Attending Fall and Spring Council meetings in Saskatoon has given me a broader understanding of the needs and concerns of teachers throughout the province. I believe I can be a strong voice in advocating for our teachers.

What issue(s) you hope to tackle, support, or advocate for during your term, if elected.

Some of the areas I will support and advocate for teachers are:

- mental health and wellness
- teachers rights
- social engagement
