

Stephen Boutilier  
For RPSTA councillor

Experience:

- 8 Years teaching experience
- 2 Years as school RPSTA rep
- Served on STF teacher retention and attrition committee

Teaching experience:

- 7 Years teaching in Regina Public Schools in positions ranging from gr. 3 to gr. 8
- 1 year teaching overseas in the UK at both primary and secondary schools
- I believe that we are a profession that faces a wide variety of challenges and would like to be a larger part of the RPSTA as they work to meet those challenges and to meet the needs of teachers.
- I believe that teachers are under considerable stress and that advocacy for their physical and mental health is crucial.
- I also believe that teacher morale is an important and often overlooked part of teacher success, and that steps need to be taken to ensure that our staff is not only healthy, but also happy.
